Dear Caitlyn,

This is relevant because if Mr. Albright used the Anchor Protocol, then he is subject to its Terms of Service, which include, inter alia, releases of claims against TFL and Mr. Kwon, a waiver of the right to pursue class claims, Singapore choice of law, and a Singapore arbitration clause.

We look forward to your prompt reply.

Best regards,

Doug

Dear Doug,

We don't understand how this relates to Defendants' motions to dismiss, and why you need this information now, before discovery has started. Can you please advise?

Best regards,  
Caitlin

Dear Caitlyn,

I write because the Amended Complaint does not state whether Mr. Albright used the Anchor Protocol himself. Please let us know, no later than 9:30am tomorrow, whether or not Mr. Albright ever staked any tokens in the Anchor Protocol.

Best regards,

Doug
